## FAITH UNITES US, KNOWLEDGE BIULDS OUR FUTURE

### STUDENT COUNCIL

The schools' head administration set up the student council which helps share the student's ideas, interests and concerns with the school's principal, Mrs. Ahlam Khattab. The student council helps raise funds for school-wide activities, including social events, community projects, charity work and school reforms. The members learn skills that are an extension of their formal education.

### SCHOOL BOARDS & COMMITTEES MEETING

A school board's meeting was arranged earlier during the quarter by the school's director, Mrs. Ahlam Khattab. The school board's main aim is to incorporate their community's view of what students should know and be able to do; ensuring that students get the best education they can receive. Also, they are accessible to the public and accountable for the performance of UCA.

## ENVIRONMENTAL DAY

World Environment Day was celebrated in UCA on 29/12/2016, with full enthusiasm. Students and staff engaged throughout the day in different activities. The school administration motivated the elementary and kg department students to plant different seedlings in order to make their surroundings green.

The planted seedlings were added to the school garden and students were encouraged to participate in drawing and poster making competitions with environment-related topics with their classmates.

Also, teachers interacted with high school students and spoke about threats to the environment and solutions to solve these environmental issues.

To mark the day, the school organised a nature themed concert for the students and parents to add more colour to the day. The concert aimed at encouraging the audience to actively participate in the celebration and also keep their environment clean and healthy to lead a better life.

## KG & ELEMENTARY SPORTS DAY

UCA hosted its annual sports day for the elementary and kg departments. The event consisted of 4 main teams; Parents and the school director also participated in the event, provided all sorts of opportunities to introduce the students to exciting and new sports. By giving them this opportunity, the students were able to broaden their participation levels and knowledge on a healthier and active lifestyle.

## SECOND QUARTER EXAMS & PARENTS CONFERENCE

The teaching staff of all departments at UCA would like to take this opportunity to invite you to the second parents conference, set on 06/10/2016. The conference is held at this time for the purpose of increasing your understanding of the progress your child has made since their first quarter before the commencement of their second quarter exams.

## HEALTHY DAY

The healthy day event was held on 22/12/2016; The event included lectures, a best dish contest, pulse/ body weight measurements and an aerobic session. It is a day arranged to

learn and focus on the health of UCA's students and their surroundings. It raises awareness of what parents and other adults can do to help improve their surroundings health. The focus of the day is on education of child health.

## WORLD ARABIC LANGUAGE DAY

World Arabic Language Day was celebrated in UCA on 21/12/16. The purpose of the celebration is to promote cultural understanding and encourage dialogue among people who speak different languages. UCA holds this cultural event

annually to showcase the history and richness of the language. The event highlighted the current developments in Arabic literature through lectures, talks and presentations done by students throughout the school. UCA's arabic department insured the students had a spectacular time by also organising short story and poetry competitions.
